**Website:** <http://caed2015.sabanciuniv.edu/>

### **Keynote speakers:**

Ufuk Akcigit (U Penn)

Samuel S. Kortum (Yale)

The aim of the conference is to promote scientific research using enterprise microdata. The conference is a unique meeting point for producers and users of these data, such as statisticians, economists and econometricians, but also an opportunity for policymakers to get acquainted with the newest research results and policy implications in this rapidly expanding field.

Topics of interest include but are not limited to:

- resource reallocation and adjustment costs
- productivity
- information and communication technology
- R&D
- market competition
- exit and entry dynamics
- transition and development
- labor issues
- environment
- corporate governance
- corporate finance
- trade
- linked employer-employee analysis

### **CALL FOR PAPERS**
